**Re: Cherokee County Cogeneration Partners, LLC v. Duke Energy Progress, LLC and
Duke Energy Carolinas, LLC
Docket No. 2020-263-E**

Status Update to Commission

Dear Ms. Boyd:

I am writing on behalf of Duke Energy Carolinas, LLC (“DEC” or the “Company”) to update the Commission on the status of this proceeding. As the Commission is aware, on January 21, 2022, DEC submitted a Petition for Expedited Accounting and True-Up (the “Petition”) requesting the Commission enter an order approving DEC’s accounting of the overpayment of rates paid to Cherokee County Cogeneration Partners, LLC (“Cherokee”) from January 1, 2021 through December 31, 2021 finding that DEC has overpaid Cherokee in the outstanding amount of \$3,048,041. On February 3, 2022, the Commission granted the Company’s Petition.

DEC is pleased to inform the Commission that Cherokee has repaid the full amount of the overpayment. As outlined in the Company’s Petition, DEC will be able to return the overpayment to customers as part of the 2022 fuel case.

Kind regards,

Sam Wellborn
